

## Our governesses help make smart kids

The summer heat wave is rolling in - are you scurrying for kiddie-care?

Imagine this: full-time, in-home private care for your bunnies by an educated, wonderfully creative professional. Fluent in English, of course!

Welcome to Hire a Happy Nanny: exceptional placement consulting for Happy Nannies, Governesses and Families.

### Educated, Diversified, Certified

At Hire a Happy Nanny, we bring in a small roster of unique educators, each with particular skills we know will resonate with our families in completely different ways. All our Happy Governesses are certified educators with an ECE, B.Ed or higher, and our professional nannies have a minimum of 3 years caring for little monkeys.

## We Invest In Our Nannies.

Because they inspire us to work harder - because [we're asking you to do the same](#) - and because it's the right thing to do. We hire your nanny as our employee, handle payroll and tax deductions and provide a comprehensive health care plan. Upon receipt of a nanny's job offer, we also facilitate and pay for the following new certifications and clearances (regardless of any previous ones available):

- Baby and Child Emergency First Aid & CPR
- Criminal Record History
- Driving Record

## Save Time. Watch Video.

We believe in making the most of amazing time-savers like Skype and video. Not for cutting corners: we simply know how to get to the heart of what you need. Our 6-8 minute [Pre-Screening Interviews & Digital Portfolios](#) let you figure out whether there's an immediate connection with a possible nanny pretty much anywhere you have access to Wi-Fi.

## Our partner in puppetry

[The Concerned Kids](#) are an amazing non-profit puppetry company which we are so proud to have the opportunity support. TCK entertains and cleverly educates children about important social issues through interactive shows which star their sweet, life-size handmade puppets.

With so much young learning now focused online we believe it's more

important than ever to encourage children to explore means for play, imagination, expression and communication - unplugged.

Hire a Happy Nanny will donate \$25.00 directly to The Concerned Kids from each [Findhappy Consulting Package](#) purchased until July 15th, 2011.

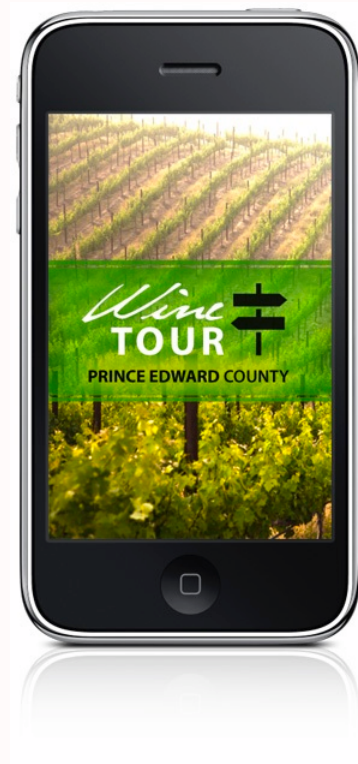

## ...and a free app about wineries!

We thought - well, once you're all set with the best nanny ever, wouldn't it be nifty if you could whip out your iPhone and easily plan day-trips to the best wineries in Prince Edward County?

Our friends at [AppositeApps](#) are giving away free copies of their nifty new iPhone App: [WineTour -- Prince Edward County](#) to everyone who purchases a [Findhappy Consulting Package](#) for the next two weeks (that's up to June 17th, 2011).

They've collected all of the details you need to get the most out of your visit - so you'll know what's on, where the nearest wineries are, and what hours they're open.

Have fun!
